

AT&T Discount for AJA Members

Dear AJA Members,

AJA has established a corporate account with AT&T to provide you a discount on any and all cell phones that you have with them. This discount will save you **8% per line per month**.

To receive this discount you will need to go to an AT&T store, provide your cell phone number, show them the AJA member card below and verify your identity (driver's license). You will be given a discount form to complete with your name, information & your AT&T cell phone number. If you are asked for a corporate email address, you must use the following email: members@arkansasjewelers.com

You are welcome to offer this same corporate number to your employees and their family members. This is another perk for being a paid member of the Arkansas Jewelers Association. Add all the discounts available to you & you will find that your membership fee is extremely reasonable.

If you have any problems, please email arkjlrassn@aol.com. Your membership with AJA is greatly appreciated.

Sincerely,
AJA Board of Directors
972-743-5406

Directions for Using Your AT&T Discount Card

1. Print out this form.
2. Print your name in black ink on the space provided.
3. Cut out the card.
4. Take this card to your local AT&T store & provide your cell phone # and driver's license.
